# **Short term** disability insurance

Disability insurance covers a part of your income, so you can pay your bills if you're injured or sick and can't work.

Disability may be more common than you might realize, and people can be unable to work for all sorts of different reasons. There are times when many disabilities can be caused by Illness, including common conditions like heart disease and arthritis. However, many disabilities aren't covered by workers' compensation.

#### Who is it for?

If you rely on your income to pay for everyday expenses, then you should probably consider disability insurance. It helps ensure that you'll receive a partial income if you're injured or too sick to work.

## What does it cover?

Many disability insurance plans pay out a portion or percentage of your income if you're diagnosed with a serious illness or experience an injury that prevents you from doing your job.

## Why should I consider it?

Accidents happen, and you can't always anticipate if or when you'll become sick or injured. That's why it's important to have a disability policy that helps you pay your bills in the event of being unable to collect your normal paycheck.

You will receive these benefits if you meet the conditions listed in the policy.

## Partial income replacement

Mike injures his back in a bicycle accident and can't work for 13 weeks.

Unpaid time off work: 13 weeks

Elimination period: 1 week

After a 1-week elimination period following his accident, Mike's **Guardian Short Term Disability** policy kicks in and replaces \$400 of his weekly income for the remaining 12 weeks of his rehabilitation.

This gives him a total of \$4,800 to cover his expenses while he's unable to work.

This example is for illustrative purposes only. Your plan's coverage may vary. See your plan's information on the following pages for specific amounts and details.

## A SUMMARY OF DISABILITY PLAN LIMITATIONS AND EXCLUSIONS

Evidence of Insurability may be required on all late enrollees. This coverage will not be effective until approved by a Guardian underwriter. This proposal is hedged subject to satisfactory financial evaluation. Please refer to certificate of coverage for full plan description.

You must be working full-time on the effective date of your coverage; otherwise, your coverage becomes effective after you have completed a specific waiting period.

Employees must be legally working in the United States in order to be eligible for coverage. Underwriting must approve coverage for employees on temporary assignment: (a) exceeding one year; or (b) in an area under travel warning by the US Department of State. Subject to state specific variations.

For Short-Term Disability coverage, benefits for a disability caused or contributed to by a pre-existing condition are limited, unless the disability starts after you have been insured under this plan for a specified period of time. We do not pay short term disability benefits for any job-related or on-the-job injury, or conditions for which Workers' Compensation benefits are payable.

We do not pay benefits for charges relating to a covered person: taking part in any war or act of war (including service in the armed forces) committing a felony or taking part in any riot or other civil disorder or intentionally

injuring themselves or attempting suicide while sane or insane. We do not pay benefits for charges relating to legal intoxication, including but not limited to the operation of a motor vehicle, and for the voluntary use of any poison, chemical, prescription or non-prescription drug or controlled substance unless it has been prescribed by a doctor and is used as prescribed. We limit the duration of payments for long term disabilities caused by mental or emotional conditions, or alcohol or drug abuse. We do not pay benefits during any period in which a covered person is confined to a correctional facility, an employee is not under the care of a doctor, an employee is receiving treatment outside of the US or Canada, and the employee's loss of earnings is not solely due to disability.

This policy provides disability income insurance only. It does not provide "basic hospital", "basic medical", or "medical" insurance as defined by the New York State Insurance Department.

If this plan is transferred from another insurance carrier, the time an insured is covered under that plan will count toward satisfying Guardian's pre-existing condition limitation period. State variations may apply.

When applicable, this coverage will integrate with NJ TDB, NY DBL, CA SDI, RI TDI, Hawaii TDI and Puerto Rico DBA, DC PFML and WA PFML. Contract # GP-I-STD-I5-I.0 et al.

# Accident insurance

Accidents happen. With accident insurance, you can help them hurt a bit less.

Accident insurance is an extra layer of protection that gives you a cash payment to help cover out-of-pocket expenses when you suffer an unexpected, qualifying accident.

## Who is it for?

Nobody can predict when an accident might happen. That's why accident insurance is an important add-on policy for people who want to supplement the health and disability insurance coverage they already have individually or through an employer.

## What does it cover?

Accident insurance pays you lump sum benefits after an accident happens. This could be a severe burn, broken bone or emergency room visit. Our accident insurance policies also offer an increased benefit that pays extra for children injured while playing an organized sport like soccer, baseball, lacrosse, or football.

The child must be covered at the time the accident occurred and be 18 years of age or younger.

## Why should I consider it?

Health coverage may become more expensive, with higher co-pays, premiums, and deductibles. Accident insurance can be a simple, affordable way to help supplement and cover additional expenses your health and disability insurance may not cover, including x-rays, ambulance services, deductibles, and even things like rent or groceries.

Plus, accident insurance is portable and payments are made directly to you.

You will receive these benefits if you meet the conditions listed in the policy.

## Added support during recovery

Amanda breaks her leg falling off her bike and needs emergency treatment.

Average non-surgical broken leg treatment expense: **\$2,500** 

Average Major Medical deductible: **\$1,500** 

Major Medical covers 80% of the surgical cost after the deductible is met, but Amanda's still responsible for 20%: \$200

Total out-of-pocket amount for Amanda (deductible + coinsurance): **\$1.700** 

Amanda's Guardian Accident policy pays her a benefit of **\$1,700**, which covers all of her out-of-pocket expenses.

This example is for illustrative purposes only. Your plan's coverage may vary. See your plan's information on the following pages for specific amounts and details.
